PAC report cont'd:

8. Reporting timeline—(5 TOTAL = 2 informal, 3 formal)
 1. October 15 – 18 – Interim checklist?
 2. November 21st (early dismissal at 11:45) and Nov 22nd – Parent/STUDENT/Teacher Conference. Div 1 only Wed. Nov. 28th in place of Nov. 22.
 3. February 27th – written report on web writer
 4. Student led conference April 24th or 25th?
 5. June 27th – written report on web writer

We are moving away from using letter grades for students in grades 4—8. We will use levels 1—7 instead. Sliding scale to be demonstrated.

9. Awooga Celebration—Rock painting project will be varnished soon. All students will participate in a kindness reflection paper at home and a class compliment page related to “Be the Nice Kid” poem. This is related to our school improvement goal around Social Responsibility.

10. Has anyone checked out the new erase website? Remember Bullying is unkind, but not all unkind behavior is bullying. Working with all classes to complete a whole school UPSTANDER project, again related to our school improvement goal around Social Responsibility.

11. Thank you so much for all your involvement, particularly with all the activities for our students in the last week of school. These efforts help to promote a sense of community and belonging in our school.
