**Old business :**

**-Spaghetti dinner-** The 50/50 draw was well received. Being Valentine's day and the day before a 4 day weekend attendance appeared lower than previous years. But overall it was a great success and profited. Thank you to all who donated, volunteered and attended. The kids and families love this event every year.

**-Carnival-**Volunteers needed. Anything needed? Motions need to be made if money is being spent.

**-Movie night.** We hosted Ralph breaks the internet. This was a great success. Due to scheduling it will be the last movie night this year. Expenses were pretty low thanks to a well stocked pantry. Thank you Rebecca and Adina for the cookies. The cookies are always a big hit. Thank you to all who helped out with this.

**-DPAC.** We are hosting DPAC in May at our school.

DPAC is looking for someone to fill the treasurer position next year.

**-AED machines updates-** Thank you to all who emailed our trustee. In the next 3 years all schools in the district will receive an AED. High schools and schools farthest from medical will be priority.

**-Paint night.** April 10th is confirmed. I would like a small concession. Maybe beverages, chips etc?

**-COBS** hot cross buns

**-Cook book.** How is this going? Are there more of one kind of recipe than others?? Are we extending the deadline

**-PAC** position needing filling for 2019/2020- Jodi is unable to coordinate hot lunch next year. If we would like to continue offering this we will need someone to take it over. Please consider this as we

move forward into the next year. If you would like to step forward or know someone who would, they need to attend the Sept meeting.

**New business:**

**-Numeracy night-** Can PAC cook and cover dinner? Maybe chilli? A meal may encourage parents to attend. Jodi can you head this up? Who can help?

**-Community clean up Pitch in day-**April 22-29th is pitch in week! Rebecca is looking into organizing supplies and getting things together with an exact date for the Falkland wide clean-up tbd closer to.

**-Grants-**Canada post. Jill is applying for this this month. We also found some other grants available. If you know of any please let us know.

Hot lunch vendors- The pub would like to provide hot lunch in April.

**Tubing-** As a courtesy PAC accepted funds for Silverstar tubing via etransfer. Since parents were sending hot lunch it was convenient to send all at once. People really LOVE this option for funds.
